

### Five Year Limited Warranty

- Brenny Custom Cabinets, Inc hereby warrants that all cabinets are free from defects in material and workmanship for a period of five years from the date of purchase. This warranty is expressly limited to repair or replacement of the defective part by our review and inspection and does not include labor for removal or replacement. This warranty does not extend to defects caused by improper handling, storage, intentional damage, product modifications, exposure to the elements including temperature and humidity which may result in warping or splitting, accidental misuse, abuse or negligence.
- The following changes are considered natural and normal and are excluded from the warranty:
  - The natural darkening and mellowing that normally occurs to finished wood over time.
  - Natural wood characteristics inherent to the wood species.
  - Minor dimensional changes due to moisture and/or humidity.
  - Painted finishes that reveal joinery lines due to natural dimensional changes.
  - Any changes due to exposure to sunlight, smoke, moisture, household cleaners and other environmental conditions that may cause materials to vary from their original color and/or to warp, split or crack.
- Opaque finishes are uniquely different from standard wood finishes. On all wood products, expansion and contraction are typical due to changes in the climate conditions. Due to this normal movement, opaque finishes may develop slight separation lines. These will be most notable at stile, rail and panel joints. Joint separations may become more noticeable over time and through season changes. These are normal and are not considered quality defects.
- This warranty is not valid for products used for any purpose other than the purpose for which they were originally intended. This warranty does not cover the cost of installation, removal, subsequent damage or transportation of the defective product, regardless of whether the work was performed by a contractor, service company or the consumer.
- Variations in color and grain pattern are a natural characteristics of wood. Color changes also may result from exposure to light and other elements that are part of the aging process. These material variations and changes are not covered by this warranty. We reserve the right to substitute discontinued products with the most similar product in styling, wood species and color available at the time a claim is submitted.
